IMPORTANT THIS WEEK....

1. **WEAR YOUR RECITAL COSTUMES TO CLASS! Portrait Week** is June 4th-9th! Amy Rich is a phenomenal photographer and gets amazing keepsake photos of these little nuggets! Pictures will be taken during or just before or after dancers regular class times. Attached is the detailed schedule and order form. Please bring the order form filled out and ready to go. Use separate forms for multiple classes. (My personal favorite is the Memory Mate – it has their class photo as well as their individual shot). **PLEASE NOTE:** If your little one is in a Tuesday morning class, your photo session has been scheduled for Monday morning. Please refer to attached schedule!
2. **HAIR AND MAKEUP!** For pictures next week, just do light stage makeup (lipstick, a little eyeliner/mascara and blush). Curl hair and pull back off face in either a half up/half down hairdo, bun or high ponytail. For the shows, we will stick with the half up do. For more info, visit our website at www.dancefusionnw.com. Click on Parent Resources and Recital 101. It's hairstyle #4. There are also make up tips, etc.
3. **DIGITAL MEDIA!** On your June invoice, you will see a Digital Media Package. This is a new feature and quite amazing. For \$35.00 you will receive digital links to download 1). A professionally filmed and edited recording of the show by Bobby P Productions (our senior kids still have viewing parties of all their old shows ☺), and 2). Live show photos shot during the performance by professional photographer Troy Wayrenen. (Former Columbian photographer and incredible). Electronics, recordings and pictures aren't permitted during performances, but even if they were, the lighting makes it very difficult to get anything good. This way, you sit back and enjoy and let the professionals take care of the rest! If you would prefer just one or the other, live show photos are \$15.00 and the DVD is \$25.00.
4. **FLOWERS!** To make your little dancer's day even more special, we have gorgeous farmer's market bouquets available for purchase the day of the show.

We are getting really excited for the shows and can't wait to share their hard work and lots of first performances with you!!!
