

'THE CURIOSITY SHOP'

Important Information!

*Schedule subject to change per the discretion of the director

THIS WEEK....

1. **WEAR YOUR RECITAL COSTUMES TO CLASS! Portrait Week** is June 4th-9th! Amy Rich is a phenomenal photographer and gets amazing keepsake photos of our dancers! Pictures will be taken during or just before or after dancers regular class times. Attached is the detailed schedule and order form. Please bring the order form filled out and ready to go. Use separate forms for multiple classes. (My personal favorite is the Memory Mate – it has their class photo as well as their individual shot).
2. **HAIR AND MAKEUP!** Hair for the 'The Curiosity Shop'. **All dancers in low bun** *unless* you are in Hip Hop only. Hip Hop only can do a high ponytail. If your teacher has told you something else, please follow this information instead. GUIDELINES AND EXAMPLES FOR STAGE MAKE UP AND HAIR ARE FOUND ON OUR WEBSITE. Go to www.dancefusionnw.com. Click on PARENT RESOURCES and look for RECITAL 101. Hair and makeup are the first things.
3. **DIGITAL MEDIA!** On your June invoice, you will see a Digital Media Package. This is a new feature and quite amazing. For \$35.00 you will receive digital links to download 1). A professionally filmed and edited recording of the show by Bobby P Productions (our senior kids still have viewing parties of all their old shows ☺), and 2). Live show photos shot during the performance by professional photographer Troy Wayrenen. (Former Columbian photographer and incredible talent). As always, electronics, recordings and pictures aren't permitted during performances. Even if they were, the lighting makes it very difficult to get anything decent. This way, you sit back, enjoy and let the professionals take care of the rest! If you would prefer just one or the other, live show photos are \$15.00 and the DVD is \$30.00. Orders for these can only be taken up to performance day. **No orders can be taken after performance day.**
4. **FLOWERS!** To make your dancer's day even more special, we have gorgeous farmer's market bouquets available for purchase the day of the show.

We are getting really excited for the shows and can't wait to share their hard work and lots of first performances with you!!!
